Q. Read the passage and tick the correct answers.

I was tired and went to sleep. Chunky, my dog pulled my shirt and woke me up. I smelt smoke! A fire! I tried to open the door of my room but it was too hot to touch. The fire must be outside .I soaked some towels in water and put them along the bottom of the door. Then I tried the telephone but the line was dead.I started coughing as some smoke was now getting past the towels and filling the room. Then I heard the fire alarm go off.
