VACCINATION DRIVE BY GOVERNMENT OF INDIA

Dear Parent(s)

Greetings!

As per the direction of **Government of India and Ministry of Human Health & Family Welfare**, it is mandatory for children between **9 months to 15 years** to be administered **Measles and Rubella Vaccination**.

Parents are requested to support this cause by getting children vaccinated in the camp organised under the guidance of **Chief Medical Officer, Ghaziabad, U.P.**

A team of Government Doctors will be there in school premises on **14th & 15th December** for inoculation. Kindly ensure that your child must have breakfast on the above said dates.

Looking for your cooperation.
