### “Ecstatic Excursion”

Date- 23<sup>rd</sup> March, 2015

“Joyful learning being the core belief at VBS”

Little VBS went for an exploration trip to **SWARN JAYANTI PARK, INDIRAPURAM**. The main objective was to develop aesthetic sensibility and love for nature. Outside experiences have always proved to be a great learning experience for students. The students enjoyed miscellaneous slides at the amusement park. It was a complete, healthy recreation that involved the swings, greenery, the flowers, the pond and the beauty of the nature, surrounding the park. Children enjoyed thoroughly. But that was not the all.

To add on the spice to the fun filled day, way back to the school, children were feasted an Ice-cream treat at Mac- Donald. Children received a warm welcome and balloons as a token of love from their host. The Ice Cream treat proved to be an icing on the cake and added the fun and extreme satisfaction to their trip.

The feast at Mc Donalds!!

Enjoy the ice cream before it melts!!

Surely happiness is reflective!!
