ALERT TODAY-ALIVE TOMORROW

In the first Global Status Report on Road Safety, the World Health Organization (WHO) identified road accidents as the “biggest killers” across the world. Road Safety is an important education for people of all ages. From crossing the road, to cycling to driving a four wheeler everyone should know the rules of the road. In order to spread awareness in the society a ‘Road Safety Week’ was observed at Vidya Bharati School, Surya Nagar from 11th to 16th January 2016.

The theme was **‘Road Safety-Time for Action’**

Various activities were conducted in the school to spread the awareness in the society towards this cause through students, teachers and drivers.

❖ Slogan writing Competition

The basic tenets of road safety start from school. To generate the students’ interest towards the ‘importance of Road Safety’ a slogan writing competition was conducted on 14th January 2016. Students of Grade IX and X participated spiritedly in the event. They came up with many creative and innovative slogans as –

- *Accidents bring tears, Safety brings cheers*
- *Drive safely ,someone is waiting for you.*
- *Safety is the key , its up to you &me.*
- *Hug your kids at home, but belt them in the car.*
- *Donate blood but not on road.*
- *Don’t race maintain space*
- *Chase red meet the dead, endure yellow be gentle fellow, enjoy green live with sheen.*

❖ Workshop for Drivers

An interactive workshop for the Bus Drivers of the school was conducted on 12 Jan 2016, which emphasized that driving the school bus is not the only task required of school bus drivers. Before driving the school bus, the driver is morally responsible for conducting a physical check of the vehicle under him, to ensure that all systems meet the required safety norms for its proper operation. Their responsibilities towards the students and society were also discussed.

❖ Fitness check-up of all the vehicles in the school

The school’s vehicles were assessed (From 11th to 16th January’16) for their roadworthiness and overall condition

The condition of the body of the vehicle, engine, steering, brakes, lights and other components were thoroughly checked to ensure their compliance with the MV Act and the Road Safety regulations.

Report on Workshop conducted on Bloom's Taxonomy

Lesson planning is a vital component of the teaching-learning process. Proper classroom planning will keep teachers organized and on track while teaching. Thus allowing them to teach more, help students reach objectives more easily and manage less. In order to maximize the outcome of Teaching-Learning process a Workshop on 'The Revised Bloom's Taxonomy' was organized at Vidya Bharati School on 16th January 2016.

The resource person Ms Seema had thrown a light on how Bloom's Taxonomy helps a teacher to craft lessons that lead students to refine their thinking. The aim was to equip the teachers to use verbs aligned to Bloom's Taxonomy to create discussion questions and lesson plans that ensure the students' thinking progresses to higher levels. She carried on the discussion through the six levels in the taxonomy effectively

The workshop was truly informative and interactive. The resource person answered the questions with her clear cut vision and expressive thoughts. The workshop was further made resounding by the precious inputs given by our Principal, Ms Meenakshi Zarabi. The workshop was extremely effective in making everyone realize that it is supremely important that we as educators should help the students to become critical thinkers. Building on knowledge and helping kids begin to apply, analyze, synthesize, and evaluate are the key elements to help the students grow and prosper in school and beyond.
