“Tata Class Edge” Workshop

A workshop by Tata Class Edge was organized on 2nd March 2019 in the School for the teachers of Pre Nursery to VIII class. Tata Class Edge is claimed to be a prestigious organisation which help schools to use technology to introduce new concepts of education to the teachers. The workshop was conducted by Mr. Deshdeep Gupta, Academic Manager of Tata Class Edge.

The main purpose to organise the workshop was to solve the problems teachers face while using the Class Edge and to make them familiar of the new functions introduced by the Tata Class Edge. Demonstration of using the Virtual Lab in Science and Mathematics was given by the concerned person and some new features were also shown in the class.

It was an interactive session where both the teachers and organiser actively participated. The teachers had a good learning of the new tools presented to them while brushing up on the existing things.

GRADUATION CEREMONY

Certain ceremonies are celebrated with a difference and one such ceremony is the Graduation ceremony of class KG where a tiny tot completes his tenure in the Pre Primary wing and prepares himself / herself to step into a completely new world of Primary wing. Pre Primary wing of Vidya Bharati School celebrated Graduation ceremony of class KG on 17.03.19

The significance not only surrounds the child's all round journey in his /her Pre Primary world, but also showcases the tireless efforts of the Kindergarten teachers in nurturing and grooming of these tiny tots. The celebration displayed the creative side of each multitalented kid and prepared them to shine bright and cheerful through the rhythm of songs and dances and various other programs in which they participated on that day.

This day served as the platform for many kids to shed their inhibition and take the front stage to perform and make the parents proud.

Kindergarten Graduation was a celebration that marked the journey of a child to a school in which they will be spending 10 long years facing ups and downs and experimenting and exploring new ideas and things and shaping themselves into tomorrow's leaders.

General Secretary sir Dr. Alam Ali Shishodia appreciated the students and said that the tiny tots are the future citizens of the nation and thus their holistic development is of utmost importance. The parents were really contented and proud to see their ward graduate from the pre primary wing. It was an overwhelming moment for everybody.

ORIENTATION PROGRAM – GRADES PRE PRIMARY & I

Date : 30th March, 2019
Venue : Physics Lab

An Orientation Program of Grade Pre-Primary and Class-I was held in the school where Parents of new students were invited. The Orientation Program was based upon the concept of multiple intelligence and holistic development of a child. The vision of the school was demonstrated through a PPT wherein the missions, objectives, strategies and curriculum related to Grade Pre-Primary and Class-I was shared.

HIGHLIGHTS

The parents were exposed to our pre- primary curriculum which is mainly based on holistic development of children (intellectual, emotional, social, physical, artistic, creative and spiritual potentials, to familiarize them with the school environment and teachers. Through multiple intelligence, a child's interest is identified, which further helped in pursuing the dreams.

Stress was given on the importance of circulars, daily mails and monthly note which were also shown to the parents in order to achieve the academic excellence of their child. All these prove to be helpful in tracking the school and teachers in gauging the progress of the children. They were motivated to inculcate the parenting tips in their day to day life which will help in making their child a happy youngster which will have characteristics like confidence, good decision maker, have respect for elders, peers and will become a global citizen.

ANALYSIS

The parents participated in the Orientation Program very ardently and also gave a very remarkable written feedback about the School and the Orientation Program. Parents approved to the fact that it is the coordination between teachers and parents that will lead to the all-inclusive development of the child.
