Dear Parents
Greetings!!

Books and students cannot be imagined separately. What if this huge ocean of knowledge would be available to students with just a click of a button? Keeping this in view VBS the ever so innovative institution came up with the unique idea of E-Gyankosh, a digital library. Through this digital repository available at VBS' website our students can easily and rapidly access a wide variety of books. The students need not to go to the library physically; they can gain access to the same information, as long as an Internet connection is available.

Round the clock availability of books is a major advantage of VBS E-Gyankosh. Through this Students and facilitators can gain 24/7 access to the information. Not only that, it allows multiple access as the same resources can be used simultaneously by a number of learners. VBS E-Gyankosh can provide very user-friendly interfaces along with fine quality images. To enjoy the wide array of audio and video story as well as subject books kindly tap the following link -
